

DÍON

DÍON.
From the Irish language.
Protection. Shelter. A roof.
A sanctuary.

Our cocktail menu begins, quite simply, with Dublin.

The city.
The culture.
The landmarks.

From DÍON, Dublin spreads out in every direction.

The Liffey winding its way through the middle of it all.
Church spires keeping watch over the rooftops.
Streets where history lingers and the odd good story refuses to leave.

So it only felt right that the cocktail menu should follow suit.

You'll notice a number beside every drink — 45°, 180° and so on.
That's the direction the cocktail is pointing.

A small compass for the city around you.

Turn one way and you're facing the 1942 Bar to the north.
Another and the Georgian streets stretch out in neat rows.
Chimneys standing guard by the bay, the mountains, or the sunset doing its best work.

Each cocktail takes its cue from the city in that direction its places, its people, and the stories that have been told there for generations.

DÍON signatures inspired by the streets, spirit and gentle mischief of Dublin itself.

The result is a 360° taste of the city.
No walking required. Just a good seat... and a steady hand.

A modern Irish cocktail story, told from the rooftop.
Scéal nua-aimseartha faoi chóctail Éireannach, inste ón DÍON.
