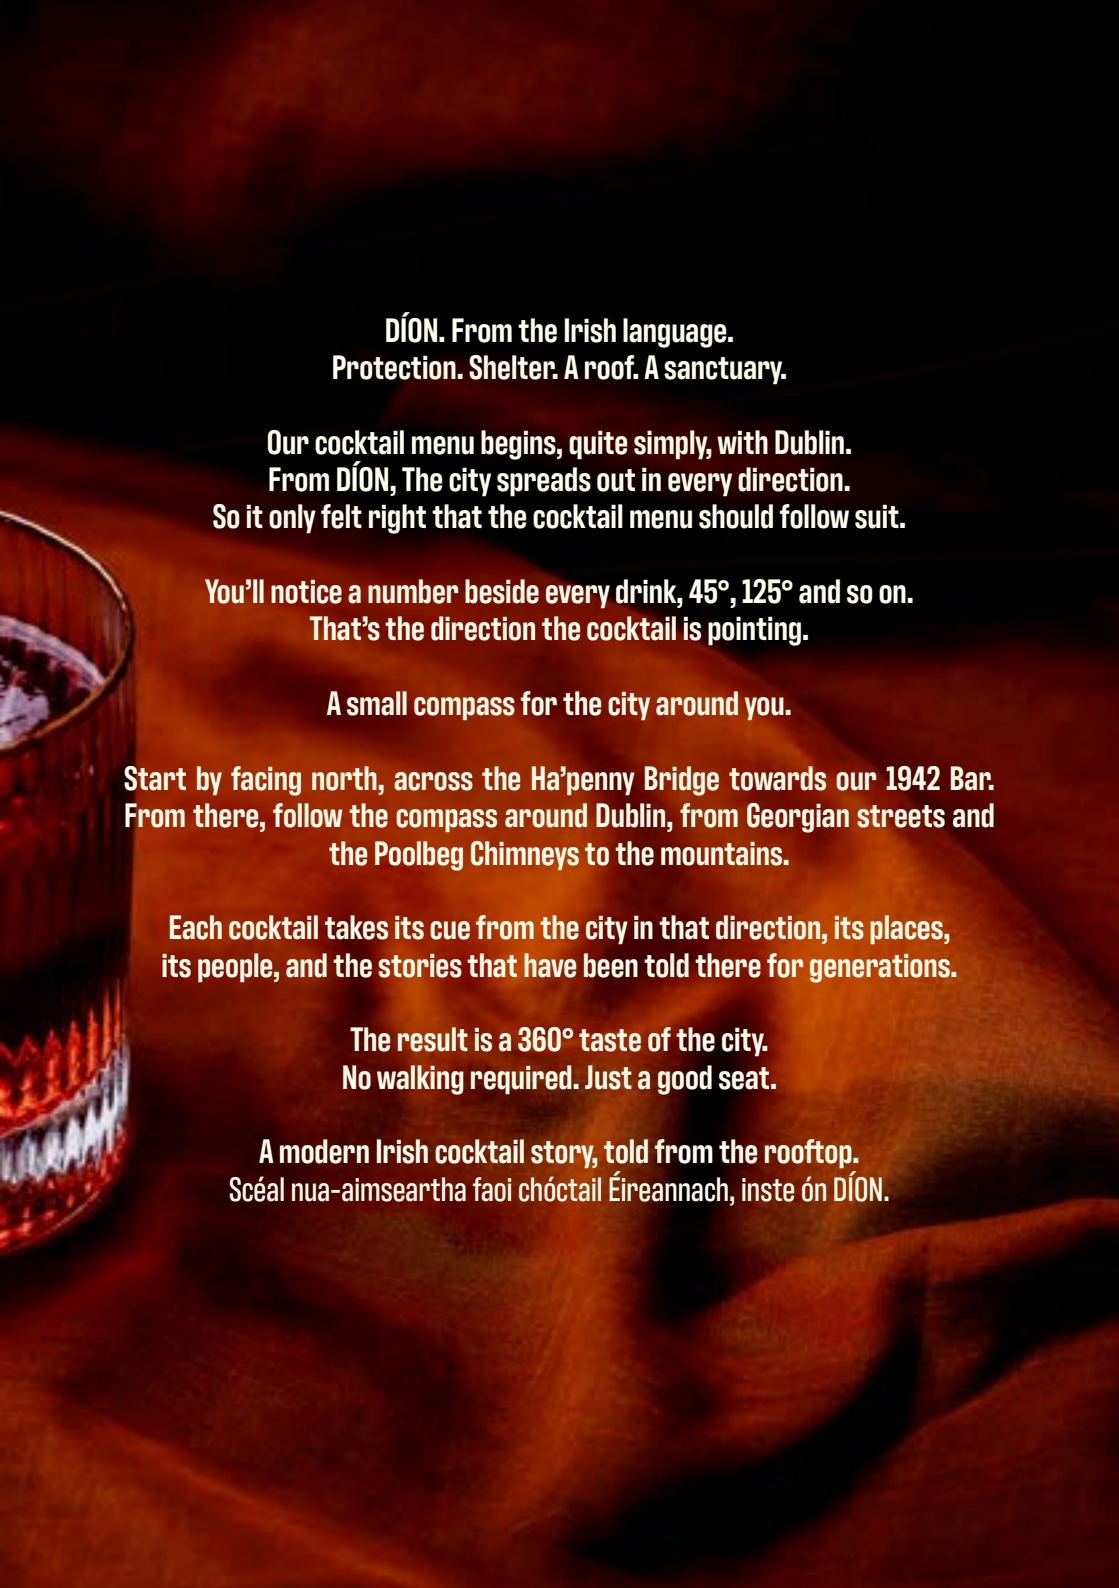
DÍON



DÍON. From the Irish language.
Protection. Shelter. A roof. A sanctuary.

Our cocktail menu begins, quite simply, with Dublin.
From DÍON, The city spreads out in every direction.
So it only felt right that the cocktail menu should follow suit.

You'll notice a number beside every drink, 45°, 125° and so on.
That's the direction the cocktail is pointing.

A small compass for the city around you.

Start by facing north, across the Ha'penny Bridge towards our 1942 Bar.
From there, follow the compass around Dublin, from Georgian streets and the Poolbeg Chimneys to the mountains.

Each cocktail takes its cue from the city in that direction, its places, its people, and the stories that have been told there for generations.

The result is a 360° taste of the city.
No walking required. Just a good seat.

A modern Irish cocktail story, told from the rooftop.
Scéal nua-aimseartha faoi chóctail Éireannach, inste ón DÍON.
